

Parents or Guardians:

We would like to post student's activity pictures on our website and in publications. We will not use any names. This will give parents, community members, and family members a chance to see some of the happenings from our school.

Please complete the form below and return it to school by the next school day. Again, we will not post pictures of any students until we have permission to do so.

Thank you,

John "Kip" Walker, Superintendent
